

# 1103PS

## 110V INDUSTRIAL VACUUM WITH PRE-SEP

The ASL 1103PS is a powerful 110V vacuum with **3 motors** inside. With the easy to use dolly, transportation is hassle-free.

A unique feature of this vacuum is the self-cleaning filter, where a mechanism will constantly clear the filter to ensure maximum performance. A **jet pulse** can also be initiated manually through the red lever.

ASL vacuums come standard with **HEPA** filters. As a 110V, the 1103PS is able to plug directly into standard wall sockets, which simplifies finding an adequate power source.

**FINANCING AVAILABLE**

**2 YEAR WARRANTY**
