The color selector is designed to assist you in making your selection for GFX Timeless Metallic epoxy colors. These Metallic pigment packs are measured by weight (not volume) and are designed to be added to a variety of clear vehicles including, but not limited to 100% solids epoxy, polyaspartics and polyurethanes all creating different effects. GFX Timeless Metallic pigment packs are packaged in 32 oz pods which is designed to be added to 1-1/2 gallon kit of 100% Solids Epoxy. To ensure proper color, the entire contents of the GFX Timeless Metallic pigment pack should be used. Be sure to thoroughly read all application data on whatever vehicle you are adding the Metallic pigment packs to. Mix thoroughly for 3 minutes to insure proper dispersion.

FOR USE IN:

- HOMES
- SALONS
- STORES
- OFFICES
- GARAGES
- RESTAURANTS
- SHOWROOMS
- COUNTERTOPS

Joe's Pizza, Herrin Illinois

Hair Salon, Grand Chain, IL

Due to reproduction limitations, it is necessary that we reserve the right to allow for reasonable variations. Printed colors shown are the approximate color. Variations in application & coverage rates will also affect the final appearance. It is highly recommended that you do a sample test area before installation. An instructional DVD is available upon request
