# Portable Vacuum Backpack Style

## Portable Vacuum Cleaning

Carry vacuum cleaning power on your shoulders. The top fill design on this lightweight, compact backpack vac prevents clogging, so you can optimize your cleaning time. The 6.5 quart tank capacity extends operating time. The large area triple-filtration design keeps dirt in the canister and out of the air. The ergonomic construction of this 10.5 lb. vacuum makes it ideal for cleaning any size areas.

### Power

- 1-Stage motor with thermal protection
- 2-piece commercial, 50 ft., (14-3) SJT easy-wrap power cord

### Engineered Design

- Roto-molded polyethylene housing is tough, durable and easy to clean. Lifetime housing warranty.
- Lightweight - 10.5 lbs. machine reduces user fatigue
- Hold the backpack on your back with a comfortable harness and padded shoulder straps. Quick-lock adjustable strap fasteners make it easy to wear.
- Exceptional filtration capability. The Harrier captures fine particles and helps improve air quality.
- 8 rubber feet for maximum, diffused air exhaust
- Use the disposable paper filter bags (#HPVA005-3) or washable cloth filter (#HPV-BACK-CLTH-BAG)
- Complete tool kit includes flex hose, telescopic wand, 1-piece curved wand, round dusting brush, two-way flat floor tool for hard and soft floor and floor crevice.

### Safety

- 72 dB quiet operation
- UL Listed
